

## Help Build a BPW Foundation Partnership

February is the month to focus on making donations to our Foundation. Even though our entire organization is now known as BPW Foundation, as members we still need to provide extra help to build a Foundation Partnership.

BPW Foundation funds projects in three strategic areas that relate to working women.

### Strategic Focus Areas:

▪ Education

Programs developed by BPW Foundation are implemented through strategically identifying networks and partnerships to enable working women and employers to exchange ideas, develop and improve career skills and cultivate leadership skills that aid in both work and civic life

▪ Research

In 1956, BPW Foundation became the first foundation dedicated to conducting research providing information solely about workingwomen. BPW Foundation continues this tradition with primary research including reports, issue papers, surveys and focus groups.

▪ Policy

BPW Foundation research provides insight, data and analysis to working women, employers and policymakers to inform and shape public policy.

**Make a donation in February, Foundation month – or when you renew your BPW membership each year.  
\$10 to \$25 per member is suggested**
